Section H: Comprehension MCQ (3 × 2 marks)

Read the passage carefully and answer the questions that follow.

These days, people like to keep small animals like hamsters and rabbits as pets. The dog is one of the earliest animals to be kept as a pet. In fact, it has become Man's best friend.

Dogs have very powerful eyes. They are able to spot even the slightest movement. However, a dog cannot see the grass as green or the cherry as red. It is colour-blind. Everything looks either black, white or grey to the dog.

A dog is able to hear sounds which escape our ears. Its powerful nose is able to smell anything, even from a distance. All these qualities help to make a dog a good hunter.

Put a tick (√) in the box beside the correct answer.
