**Section I: (7marks)**

Read the passage carefully.

Once upon a time, there lived a grumpy owl in the woods. He had never smiled at any of the animals. He was always in a bad mood. The owl had no friends. All the other animals lived happily among themselves. They did not care about the grumpy owl until one day, something happened. A star fell from the sky and landed in the woods. The tree which the owl was resting on caught fire! The owl's wings were injured and it hooted loudly for help. The animals quickly carried the owl to a safe spot. After that, the owl thanked the animals and they became good friends.
